TO ALL PROSPECTIVE VETERAN APPLICANTS:

This letter is to inform you that prior to coming to the Montana Veterans' Home, you will need to be enrolled in a Medicare Part D prescription plan if you do not already have creditable coverage.

Because the Montana Veterans' Home is a state facility, those veterans receiving their medications in the community from the VA may lose their benefits, and therefore will be required to have creditable prescription drug coverage.

Those veterans having supplemental health coverage should check their policies to make sure they have prescription coverage. If your supplemental plan does not have drug coverage, you will need to select a Medicare part D plan. Attached you will find a list of our Contracted Carriers.

If you need assistance in signing up for a Medicare Part D plan, please call the agency on Aging at 406-758-5730.

You may call me at 406-897-6091 with any other questions.

Sincerely,

Social Services Director/Admission Coordinator
