

TANF 704-1 Employability/Service Plan

Supersedes: TANF 704-1 (1/1/18)

Reference: ARM 37.78.206, .216 and .806

Overview: The Employability/Service Plan (E/SP) is a written plan, individualized to each client's needs based on the Family Bridge Model assessment, which outlines mutually agreed upon activities to help lead the client to self-sufficiency.

A current signed E/SP is a condition of eligibility for all 'work-eligible' clients included in the TANF Cash Assistance filing unit and all clients receiving TANF non-cash services and supports.

EMPLOYABILITY/ SERVICE PLAN:

Employability/Service Plans may be negotiated for the current month and two future months. The E/SP must be negotiated and signed by the 15th of the month for the following month.

Failure to have a current E/SP by the 15th will result in case closure effective the end of the current month.

If the E/SP is negotiated/signed by the last day of the month, the case may be reopened, and benefits issued.
