

## TANF 902-1 Replacement Warrants

**Supersedes:** TANF 1202-1 (7/1/06)

**Reference:** MCA 17-8-303 and 17-8-306

**Overview:** TANF cash assistance warrants must be presented for payment within 180 days of issue date. After that, the warrant is considered stale dated and can no longer be cashed.

TANF cash assistance warrants may be replaced when the warrant was:

1. lost;
2. stolen and cashed by another person; or
3. stale dated.

### **RETURNED TANF WARRANTS:**

TANF cash assistance warrants are only accepted back from a client in three (3) instances:

1. The warrant needs to be applied to an overpayment.
2. There was an error and duplicate warrants were issued or the warrant was issued for an incorrect amount.
3. The primary individual is deceased and there is not an estate that can cash the warrant.

**Effective Date:** January 01, 2018
