

Plan/Procedure for Bare Hand Contact As specified in 2013 Food Code 3-301.11(E)

Completion and submission of this form to the local regulatory authority will serve as an application for approval of bare hand contact with ready-to-eat foods in a retail food setting. The plans and procedures outlined must be approved by the local regulatory authority in order to allow bare hand contact with ready-to-eat food. A copy of the approved application must be kept on the premises of the establishment and be made available to the regulatory authority on request. Local regulatory authorities will work closely with establishments as the state transitions to rules adopting sections of the FDA Food Code.

establishment and be made available to the regulatory authority on request. Local regulatory authorities will work closely we establishments as the state transitions to rules adopting sections of the FDA Food Code.
