

**PURPOSE** This policy is specific to cases where the case management team admits a member under the short-term admit policy.

## PROCEDURE

- 1. If a member is admitted to case management for a short-term and the member is receiving CFC/PAS services the CFC/PAS provider will remain the plan facilitator.
- 2. The case manager should notify Mountain Pacific Quality Health (MPQH) that the admit is short-term.
- 3. MPQH will keep the CFC/PAS provider agency as the Plan Facilitator.
- 4. The case manager should notify the CFC/PAS provider of the shortterm intake to case management and coordinate case management services with the CFC/PAS provider and plan facilitator.
- 5. The CFC/PAS provider will be responsible for the Person Centered Planning form (SLTC-200) while the member is on short-term case management.
- 6. If the member status changes and the member is admitted to case management permanently, the case manager must notify MPQH and the CFC/PAS provider and Plan Facilitator responsibilities must be transitioned to the case manager (Refer to CSB 1109).
