

The **Children's SOC Planning Committee** was established by statute in 1993 (52-2-301, 52-2-303, 52-2-304 MCA) to develop an integrated service system for children under age 18 who are seriously emotionally disturbed (SED), at risk for placement in an out-of-home setting, and needing the assistance of more than one state agency. The statute was updated in 2001 to further describe a children's System of Care and to define the duties of the planning committee.
