

Montana Milestones/Part C Early Intervention Program

Recognition of Exemplary Practices

Date: 12/2/2015

The State of Montana Developmental Disabilities Program would like to recognize STEP for exemplary practices observed in carrying out the mission of the Montana Milestones/Part C Early Intervention Program.

Exemplary Practices Observed:

In the FY15 monitoring process, all Family Support Specialists held appropriate certification. This was an area of significant strength for STEP. All FSS's had certification, and FSS's employed long enough to require comprehensive certification all had the comprehensive certification.

The State of Montana Developmental Disabilities Program would like to extend thanks and appreciation to STEP for helping establish and maintain best practices in the field of Early Intervention in the State of Montana. Thanks for all the hard work and dedication.
