1. TYPE OF REQUEST:  Follow-up to Verbal Request  Written Request

2. STATEMENT OF QUESTION OR ISSUE:

When CWS recipients transition with their cost plans into adult services, often the amount of the plans will purchase 3-4 days at a day program. This can be a hardship to family members who must work. Can families opt to purchase an extra day or two and still get waiver funds?

3. ANSWER: Families who have family members in Waiver Services can private pay for additional services and not jeopardize their Waiver Services as long as they are not residential supports they are purchasing. Ancillary supports or extra time in a day program may be privately purchased.
