KEYNOTE: HANDICAP THIS

Mike Berkson and Tim Wambach met one another when Tim was hired to be Mike's one-on-one aide. Through the years, their bond became stronger and they developed a two-man show called "Handicap This" to share their story and to spread the word about diversity, tolerance and inclusion.

KEYNOTE: MATT ROLOFF

Matt Roloff is best known from the hit TV show, "Little People, Big World". He is also a successful businessman, farmer and humanitarian. Matt views the social stigmas and physical limitations of being a dwarf, not as obstacles, but as opportunities. Matt will inspire you to shift your thinking about your own life's possibilities.

KEYNOTE: LOIS MCELRAVY

In 1990, life delivered a crushing blow when a utility truck violently crashed into Lois' car. However, the resulting brain injury did not shatter her spirit. Lois provides a "survivor perspective" to her audience and motivates, inspires and entertains with her humor and heartfelt message of perseverance and hope.

FEATURED PRESENTER: JONATHAN MARTINIS

Jonathan Martinis is the Senior Director for Law and Policy for the Burton Blatt Institute at Syracuse University. Jonathan presents nationally about the importance of supported decision making and alternatives to guardianship, as well as providing tools and resources for helping implement those supports.
