

A WEBCAST:

# EMERGING CONSIDERATIONS IN MATERNAL MENTAL HEALTH

**FEBRUARY 9, 2018**  
**9:30AM-2:30PM**

**EDUCATION ROOM,  
ST. PETER'S HOSPITAL**

2475 E BROADWAY ST,  
HELENA, MT

Continuing education credit is available for \$50. Credit is offered for psychologists, nurses, MFTs, LPCCs, LEPs, LCSWs, and attorneys. Credits will be delivered via email after the webinar by completing an online evaluation. Paypal link provided upon request.

## 2020 Mom

One of the many ways that 2020 Mom carries out our mission is by convening thought leaders and stakeholders at our annual forum. Together we discover and discuss emerging considerations in pregnancy-related mental health care. In these settings, we contemplate new research, learn about successful strategies and impactful programs, grow networks, and discuss pathways to improving access to treatment, detection and early intervention, through policy and advocacy.
