

Select Health Indicator Comparison by Montana County, 2011-2013

Public Health and Safety Division

7/13/2015

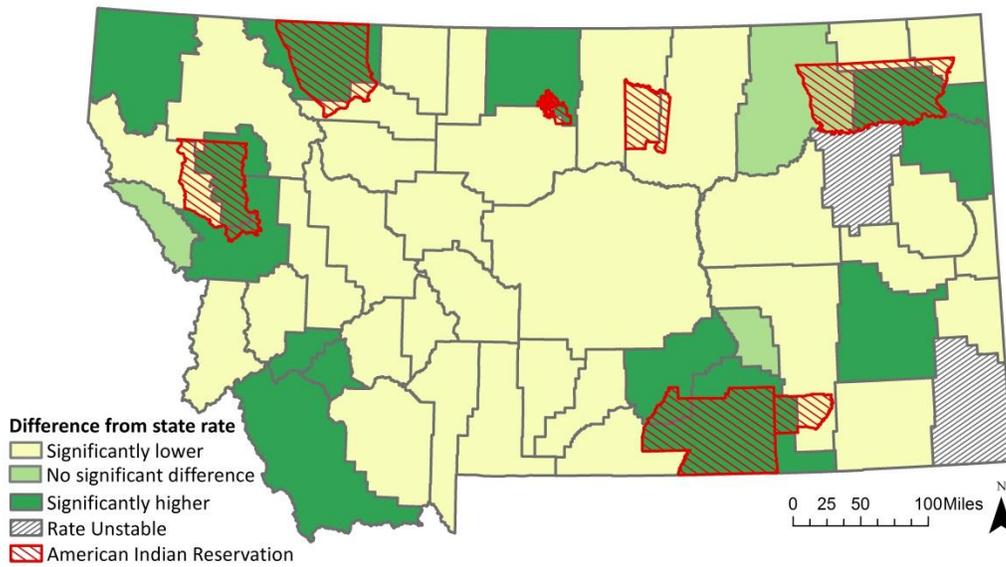

Acknowledgements

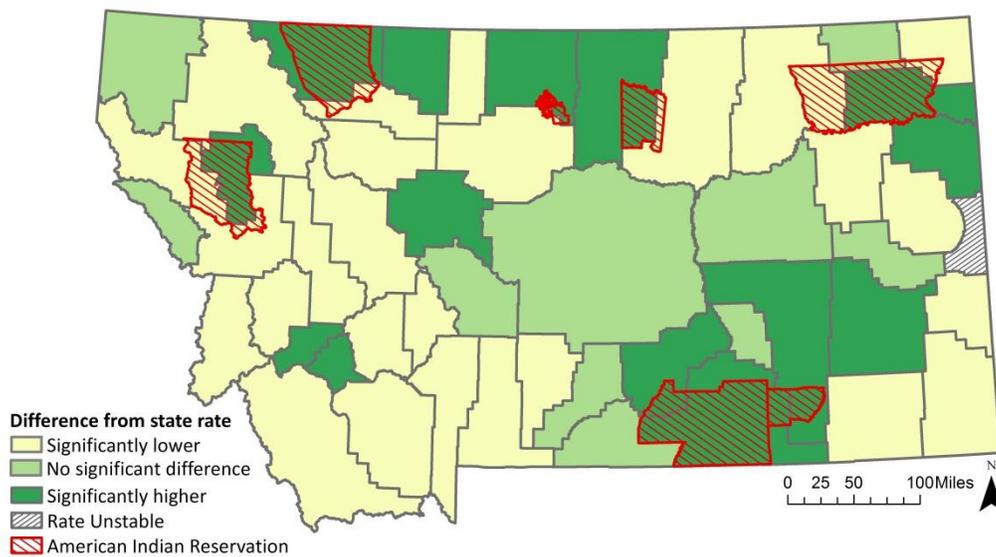

The county health profiles would not have been possible without the following people completing the data analyses: Carol Ballew, PhD, Heather Zimmerman, MPH, Laura Williamson, MPH, Lisa Schmidt, MPH, Luke Baertlein, MPH, Dana Fejes, MPH, Stacey Anderson, MPH, Cody Custis, MS, Bekki Wehner, and Miriam Naiman-Sessions, PhD. The following people critically reviewed the county profiles and their input was invaluable to the final product: Randall Nett, MD, MPH, and Todd Harwell, MPH.

This document is to be used in conjunction with the individual county profiles.
