

Healthy Homes in Montana: Where do we go from here?

Original grant

Other areas of interest:

- Radon
- Asbestos
- Indoor Air Quality

Grant
reduced to
1 year

Where do we go from here?

Lead transition: What do counties
need moving forward?

Lead transition: How can the state support continued lead poisoning prevention efforts?

Lead transition: How can we get the word out about the findings from this program and its implications to providers and public health?

Original grant

What resources exist in MT
for healthy homes work?

How can we raise awareness
about the needs related to
healthy homes?

What policy solutions related to
healthy homes might partners
pursue?

What additional funding might
be available to move healthy
homes work forward?

Thank you for your
partnership!
