Simulation in Motion Montana Inc. Advisory Committee Nominations

Simulation in Motion Montana Inc. is a non-profit corporation operating for the specific purpose to provide and facilitate educational and other workforce related activities that support increased educational opportunities, health care provider competence and a team approach to delivery of health care.

ARTICLE II — MEMBERSHIP

Section 2 – Advisory Council: An advisory council appointed by the board shall include members representative of EMS, hospitals, colleges, universities and other key stakeholders who may be recipients or have a vested interest in the program. Council members have no voting rights, but will be an integral part of board meetings and may advise the board on any matters related to corporation activities and business.

The MobileSim Board of Directors is seeking applications for persons interested in serving on the corporation's advisory council. This is an exciting opportunity to be a part of this new Montana endeavor.

Appointed members are expected to attend at least quarterly board meetings (face-to-face when possible). Opportunities for special meetings, committee work and projects will also be likely. Advisory council members receive no compensation other than reasonable reimbursement for travel expenses.
