Simulation in Motion Montana Inc. Board Director Application

Simulation in Motion Montana Inc. is a non-profit corporation operating for the purpose to provide and facilitate educational and other workforce related activities that support increased educational opportunities, health care provider competence and a team approach to delivery of health care. The primary model for meeting these goals is through utilization of mobile simulation trucks, high-fidelity manikins and staff dedicated to high quality simulation education.

Membership to the incorporation includes the Board of Directors and an Advisory Council. The Directors serve three-year terms and are responsible for overall policy and governance of the corporation. Appointed members are expected to attend at least quarterly board meetings (face-to-face when possible). Opportunities for special meetings, committee work and projects will also be likely particularly in the next few years of implementing this new program. Directors receive no compensation other than reasonable reimbursement for travel expenses.

The MobileSim Board of Directors is seeking applications for persons interested in serving on the corporation's board. This is an exciting opportunity to be a part of this new Montana endeavor. While the board is particularly interested in a need for a physician that may be located geographically in a more eastern area of the state, all prospective candidates will be considered.

Further information about Simulation in Motion Montana can be found at:
<http://dphhs.mt.gov/publichealth/EMSTS/mobilesimmontana>

Please return completed applications no later than July 3rd to:

MobileSim Montana
Montana Medical Association
2021 Eleventh Ave, Suite 1
Helena MT 59601
mma@mmaoffice.org

For further information or questions you can contact Jim DeTienne, EMS & Trauma Systems, jdetienne@mt.gov, (406) 444-4460 or any of the board members
