When reporting on your county's performance measure activities on the following pages, please arrange the narrative by the *six MCH population domains* where possible:

- a. Women / Maternal Health (Ages 15 - 44)
- b. Perinatal / Infant Health (Age <1)
- c. Child Health (Ages 1 - 10)
- d. Adolescent Health (Ages 11 - 19)
- e. Children and Youth with Special Health Care Needs
- f. Cross-Cutting / Life Course

**MCHBG Activities Undertaken / Planned** - Please describe any significant activities or planning efforts during this quarter, pertaining to your county's performance measure. This might include progress towards your performance measure goal, using your evaluation strategy. We would also like to know about any collaborative efforts with other organizations.

**Operational Challenges** - Please describe any challenges or issues in working towards your performance measurement goal during this quarter, and any lessons learned.

**FICMMR Injury Prevention Activity** - IF you implemented an injury prevention activity this quarter, please provide a detailed description. At least one injury prevention activity must be completed by 6/30/16.
