

## **10.1 FAMILY PLANNING PORTABLE DISPLAY**

**Policy:** A portable display is available from the WMHS for exhibit at meetings, health fairs, and conferences to promote and educate the public about the Statewide Family Planning Program and/or individual local programs. The display is a pull-up banner that easily set-up and sits on the floor. The information on the display notes the benefits of family planning and the services provided at Title X Family Planning clinics.

**Procedure:**

1. Call the Office Support Specialist to reserve the display at 406-444-3609.
2. The display can be shipped by UPS (please allow time for shipping) or other pick-up arrangements can be made.
3. The display must be returned as soon as possible after the meeting (within a week, or earlier if it is needed for another function)
