FAQ:

How do I know my enrollment for services has been received?

As part of the case opening process a letter is sent to the custodian and the non-custodial parent.

How long does it take to open the case?

CSSD’s goal is to have the case open within 10 calendar days of receipt. Federal regulation allows for 20 calendar days from receipt to open a case [45 CFR 303.2 (b)].

Can I go to the local office and turn in an enrollment for services?

An enrollment for services can be dropped off at **any** Child Support Services Office, no matter where you live in Montana. CSSD Offices are located in Billings, Butte, Great Falls, Helena, and Missoula.

I am having problems with the online enrollment for services can someone walk me through the process?

For help with the online enrollment for services, refer to administrative contacts below.
