

FREE SOIL TESTING EVENT

Protect your family from lead exposure: Have your garden or yard soil tested!

April 27
9 am - Noon

**Gainan's Heights
Flowers & Garden**
810 Bench Blvd., Billings

What to bring to the SoilSHOP (Soil Screening, Health, Outreach and Partnership)

- Up to 5 separate quart-sized clear plastic bags of soil (at least 1/2 full)
- Make sure soil is dry and free of debris and plant material

Health department staff will screen your soil, provide results and answer questions.

Scan code for more information
about SoilSHOP and an instructional
video on collecting soil.
