- **via Web:** <https://global.gotomeeting.com/join/674857629>
- **via Phone:** 1 877 309 2073
- **Access code:** 674-857-629

Agenda topics:

- **Welcome and introductions**
- **Adverse Childhood Experiences– the SHIP cross-cutting strategy**
 - Dan Carlson-Thompson, ACEs Master Trainer
- **Data presentation**
 - Hannah Yang, Review of updated metrics
- **Focused strategy conversation:**
 - Prevention and Health Promotion (PHP) strategy 4: Support improved surveillance of MVCs through data linkages.
 - Health Equity (HE) strategy 1: Utilize data on age groups, geographic regions, and gender to identify high-risk groups.
 - PHP 3: Increase awareness of high-risk driving behaviors.
 - HE 2: Develop and implement culturally competent materials and programs to address disparities in MVC fatalities and high-risk driving behaviors.
