

Large Counties in Montana & Public Health System Improvement Task Force (PHSITF) Large County Membership

Look below to determine if your county is considered a Large County according to the PHSITF charter standards*.

- Butte-Silver Bow
- Cascade
- Flathead
- Gallatin
- Lake
- Lewis and Clark
- Missoula
- Ravalli
- Yellowstone

PHSITF Large County Member is Karen Sullivan (Butte-Silver Bow Health Department).

*The PHSITF Charter dictates that county size will be based on the population size in that county. The population distribution is shown below. The population for each county was determined by the [U.S. Census website](#).

- Frontier County (serving a population of 4,999 or less)
- Small County (serving a population of 5,000-9,999)
- Medium County (serving a population of 10,000-19,999)
- Large County (serving a population of more than 20,000)
