

**SECTION  
SERVICES**

**SUBJECT**  
**Substance Use Related Disorders Counseling**

**DEFINITION**

This service provides individual and/or group counseling to individuals who have a substance use related disorder problem.

**SERVICE REQUIREMENTS**

Substance Use Related Disorders counseling is provided by licensed addiction counselors who have been licensed by the state. For individuals with a brain injury, the counselor must have completed a training program specific to individuals with brain injury. The counselor must show proof in the form of a training certificate or diploma indicating that they have successfully completed such a program.
