	Date effective: July 1, 2020 Date revised: July 1, 2020
Policy Number: 515	Subject: SUD Certified Behavioral Health Peer Support Services (CBHPSS) Adult

Definition

BHPS is a face-to-face service provided one-to-one to promote positive coping skills through mentoring and other activities that assist a member with a SUD diagnosis to achieve their goals for personal wellness and recovery. The purpose is to help members through a process of change to improve their health and wellness, live a self-directed life, and strive to reach their full potential.

Medical Necessity Criteria

Member must meet the SUD criteria as described in this manual.

Provider Requirements

- (1) In order to bill Montana Medicaid, BHPS must be provided by a Certified Behavioral Health Peer Support Specialist (CBHPSS), certified by the Montana Board of Behavioral Health (BBH) and provided by a state-approved program, Federally Qualified Health Center, Rural Health Clinic, Urban Indian Health Center, or IHS Tribal 638.
- (2) The state-approved program must:
 - (a) ensure staff are certified by the BBH;
 - (b) develop policies and procedures for initial and on-going staff training for these services;
 - (c) assure ongoing communication and coordination of the treatment team to ensure the services provided are updated as needed; and
 - (d) establish the frequency of services as determined by needs and desires of the member.

Service Requirements

- (1) BHPS must be a direct service provided in an individual setting.
- (2) Group peer support is not a Medicaid reimbursable service.

- (3) Transportation of a member in and of itself does not constitute an allowable direct service.
- (4) The ITP must include peer support goals that address the member's primary behavioral health needs.
- (5) Individual BHPS is not a bundled service and must be billed using the appropriate HCPCS code.
- (6) BHPS includes the following:
 - (a) coaching to restore skills;
 - (b) self-advocacy support;
 - (c) crisis/relapse support;
 - (d) facilitating the use of community resources; and
 - (e) restoring and facilitating natural supports and socialization.
- (7) It is not required that each member receiving BHPS receive every service listed above. Medically necessary services must be provided and documented in the individualized treatment plan and the services received must be documented clearly in the member's treatment file.
- (8) BHPS services must be delivered by a dedicated BHPS whose primary responsibility is the delivery of BHPS services.

Utilization Management

- (1) Prior authorization is not required.
- (2) Continued stay review not required.
