

MVR/BLVS Goals and Priorities for 2014-2017 Strategic Plan

1. The MVR/BLVS service delivery process will become more seamless through reducing procedures and practices that create unnecessary delay in the development of plans and delivery of services.
2. MVR/BLVS employees will be satisfied with their jobs.
3. MVR/BLVS will improve the quality of the community rehabilitation provider network.
4. MVR/BLVS will increase the capacity to serve un-served and underserved populations.
5. MVR/BLVS will increase the capacity to serve transition age (14-24) youth with disabilities.

Measure

6. MVR/BLVS will increase the quality of successful closures by placing more consumers in positions that pay a living wage and have employee benefits.
7. MVR/BLVS will become a model of an accessible work place for individuals with disabilities.
