Severe Emotional Disturbance (SED) Incorrect ICD-10 Code

The Children's Mental Health Bureau's defines medical necessity for mental health services for youth in the CMHB Medicaid Services Provider Manual including the definition of Severe Emotional Disturbance (SED) and with corresponding ICD-10 codes.

The definition of SED includes Obsessive-Compulsive Disorder (OCD), however, the ICD-10 code associated with OCD is shown as F42 in the manual. This is a typo. Please report F42.0 for youth presenting with an OCD condition. [The manual is at the following link:](#)
