

MT Disability Employability Conference

Session Registration Information

Wednesday, May 11th -
Friday, May 13th
at the
Great Falls Holiday Inn

This is the first conference of its type in Montana in which multiple departments, organizations, and other interested parties are brought together to share information on what tools are available for individuals with disabilities who are interested in integrated employment. Our goal is to promote the opportunity of meaningful work to the lives of Montanans which support and give pride to the community, as well as the individuals themselves. The conference will provide valuable employment information including sessions from state experts as well as national speakers. In addition there will be plenty of fun including door prizes, a vendor and job fair, entertainment, and much more.
