Serving on Groups That Make Decisions: A Guide for Families

Presented by Rebecca Richards, PLUK Senior Family Advocate

- Section 4: Tools Groups Use – What are helpful tools groups use?
 - Section 5: Tips and Strategies for Groups – What makes effective meetings? All meetings have one thing in common: a good facilitator 😊
 - Section 6: Understanding Data as Information – What is data? Data is factual information.
 - Section 7: The Role of Families on Groups – Families who have served in roles on decision-making groups share that when they started out, it was helpful to learn about the group's history, its style of leadership, its priorities and goals, its structure, and its decision-making process.
 - Section 8: Skills for Serving on Groups – What skills will help with preparing for a meeting? Practical tips and strategies.
