

## **Child Care Centers: Child-To-Staff Ratios**

**The child to staff ratio for child care centers is:**

- ❖ 4 to 1 for infants zero months through 23 months**
- ❖ 8 to 1 for children two years through three years**
- ❖ 10 to 1 for children four years through five years**
- ❖ 14 to 1 for children six years and over**

***Only the child care center director, primary caregivers, and aides may be counted as staff when determining the staff ratios.***
