

Now that you are working with young children in a
Montana STARS to Quality Program:
It's time to join The Practitioner Registry!

How will The Registry benefit me?

- **Certify** you at one of 11 levels on the Montana Career Path
- **Verify** your early childhood training, education, and employment
- **Document** your ongoing achievements on a Professional Development Record that can be easily accessed and printed
- **Provide** you access to incentives and awards to honor your dedication to the early childhood profession
- **Advance** your career in early childhood education by progressing on the Career Path

Visit www.mtecp.org and click on Practitioner Registry to learn more.

Contact the Early Childhood Project at 406.404.1624 or 800.213.6310 or
eep@montana.edu for individual assistance.

Remember: Plan for it to take 6 - 8 weeks to process your application from start to finish!
