

# PARENT PROVIDED FOODS (for children over 12 months)

*Can this meal or snack be claimed for reimbursement?*

\*Documentation must be on file to receive reimbursement for these meals. A child with a disability must have documentation on file from a licensed physician. A child with a non-disabling medical condition must have a medical statement from a recognized medical authority. *The chart above assumes all other CACFP requirements are being met.*

**Definition of disability: Under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA), a "person with a disability" means "any person who has a physical or mental impairment which substantially limits one or more major life activity, has a record of such impairment, or is regarded as having such impairment". Major life activities also includes "Major Bodily Functions".**
