ROMA NASCSP INFORMATION
SURVEY

Our state, and associated HRDCs, is required to prepare and submit a ROMA NASCSP Information Survey (IS) Report by March 31st of each year. This report shows the outcomes and successes associated with the State CSBG application for funding. NASCSP uses the Information Survey (IS) to report the nationwide result to congress.

The IS Instruction is updated on an annual basis. Instruction and associated documentation is available through the National Association for State Community Services Programs (NASCP) at: <http://www.nascsp.org/CSBG.aspx>

The following details information that is available on the website:

“Since 1987 NASCSP has been responsible for the collection, analysis, and dissemination of data pertaining to the CSBG program. Available on this website, you will find all of the resources needed to effectively and accurately report on the programs and services provided by the Community Action Network in the Community Services Block Grant Information Systems Survey.”
