Montana Marijuana Program Update Re: *Montana Cannabis v. State*, 2012 MT 201

On October 24, 2012 the Montana Supreme Court denied the plaintiffs request for a rehearing. The plaintiffs then filed papers in District Court to ask Judge Reynolds for a temporary restraining order to continue to block the three parts of the law that are at issue. On Friday, October 26th, 2012 Judge Reynolds granted a temporary restraining order to block the three parts of the law which were to go into effect and set an Injunction hearing for November 13, 2012 in Helena. On November 9, 2012, the Injunction hearing was postponed and rescheduled for December 13th, 2012, in Helena, from 2 to 5 pm. The temporary restraining order will remain in effect until the hearing takes place.
