Helping Keep
the Citizens of
Montana Safe

Some Important
Activities
of FCS

FCS was responsible for Body Art
and/or Pool inspections in the 31
green counties in 2015

- 935 Individual Contact training hours provided to local Sanitarians
- 93 Local Sanitarians provided training by FCS
- 3 Local Sanitarians "standardized" to FDA Retail Food Inspector Standards
- Going the distance for Safety: The number of miles driven by our 5 staff is almost a full circumnavigation of the globe! Or 12 times around the perimeter of Montana
