Employee Health Agreement for COVID-19

Background

COVID-19 is a highly contagious viral illness that easily spreads through contact with others. Excluding sick employees from the workplace is one of the best defenses against community spread. This document is not a replacement for employee health and hygiene requirements in the Retail Food Law. Facilities are still required to restrict and exclude employees with symptoms of food-borne illnesses. Please consult the Food Code or your local health department for more information on those requirements, if needed.

This document is not a substitute for medical advice. If you have concerns about your health and COVID-19, please consult a medical provider. Indicator symptoms of COVID-19 may change as new information is discovered.
