

# **Fees for Laboratories Applying for Certification to Analyze Public Water Supplies**

## Reciprocity

The following fees apply to laboratories applying for licensure through reciprocity.

Initial Application Fee (assessed when issuing a first-time license)

Microbiology	Inorganic Chemistry	Organic Chemistry
\$250	\$250	\$250

## Licensure Fees

Microbiology	Inorganic Chemistry	Organic Chemistry
\$600	\$600	\$990

New laboratories seeking licensure after July 1 of the fiscal year will be assessed 50% of licensure fees.
