Updated MTPHL Courier Schedule

Please see the updated [MTPHL Courier Schedule](#) which reflects changes to pick-up times at facilities in Billings, Browning, Great Falls, Havre, Kalispell, Livingston, and Missoula (schedule updated 3-14-18). Please call the Public Health Laboratory at 1-800-821-7284 with any questions.

New Sentinel Laboratory Bench Cards and a Poster for biothreat organism rule-out assistance are now available!

These valuable resources have been released just this week by the Association of Public Health Laboratories (APHL). Both the bench cards and poster can be found on the APHL website under the Public Health Preparedness and Response section or by [following this link](#).

Join us in Helena April 12 -14, 2018 for the 2018 ASCLS-MT Spring Meeting.

Our theme this year is *Laboratories: A Giant in Patient Care*. We have some great sessions slated, as we hear of the many ways that laboratory professionals interact with other members of the health care team to enhance patient care. Visit the ASCLS-MT website at <https://www.ascls-mt.org/conferences> to learn more and to register. You can also download a copy of the Program-At-A-Glance. Also, please consider donating to the silent auction. Proceeds this year will benefit the Children's Miracle Network!
