

Fancy Quits Vaping for Daughter Script

“Fancy QL” (:30) TV

Fancy: I was about 14 years old when I first started smoking. Growing up on the Reservation, it’s really common for a lot of young kids to smoke. I feel like it was a generational thing. My daughter, Silver, was about two when she first started noticing me smoke. She put her hands up to her mouth like this, and it made me feel guilty. I do not want my daughters to grow up smoking. I’m also going to school to be in the medical field, and I wanted to be a role model to other kids – so I really wanted to just get rid of this habit.
