

## **Sierra Stands for Tobacco-Free Rodeo Script**

Sierra:

This is a sport where it's not just fun and games.

We are competing ever single weekend, if not every single day.

I choose to be tobacco-free because I want to improve myself by one percent better every single day.

Not only am I a voice for the sport of rodeo and for my fellow competitors, but I am a voice for our entire association- and we are not tobacco users.

I support Tobacco-Free Rodeo in Montana because we, as competitors, are amazing athletes.

My name is Sierra Belvin, and I support Tobacco-Free Rodeo in Montana.
