

10.14 340B PHARMACY ARM 37.85.905**37.85.905 PHYSICIAN-ADMINISTERED DRUGS, BILLING REQUIREMENTS**

- (1) Billable claim lines submitted for reimbursement of physician-administered drugs must:
 - (a) include a valid 11 digit NDC;
 - (b) include the drug quantity billed for each code;
 - (c) state the NDC unit of measure as one of the following:
 - (i) international unit - F2;
 - (ii) gram - GR;
 - (iii) milliliter - ML;
 - (iv) units - UN; or
 - (v) milligram – ME;
 - (d) include corresponding CPT/HCPCS codes; and
 - (e) include a drug price.
- (2) Reimbursement will be made only on those drugs manufactured by companies that have a signed rebate agreement with the CMS.
- (3) A nonrebatable drug with a medically accepted indication may be prior authorized at the department's discretion. Prior authorized drugs will be reimbursed according to provider type.
- (4) Drugs and devices purchased under the 340B Drug Pricing Program are exempt from this rule.
- (5) Providers participating in the 340B Drug Pricing Program:
 - (a) must not submit an NDC for claim lines that are billed utilizing physician-administered drugs purchased under the 340B Drug Pricing Program;
 - (b) must submit CPT/HCPCS code(s) with all claims submitted to Montana Medicaid;
 - (c) must bill Montana Medicaid their actual acquisition cost; and
 - (d) must notify Montana Medicaid of newly acquired 340B status immediately upon approval from the Office of Pharmacy Affairs.
- (6) Providers may elect to "carve out" Medicaid clients from their 340B program activities when billing non-340B priced physician-administered drugs and register their intent with the Office of Pharmacy Affairs.
- (7) Providers who have registered with the Office of Pharmacy Affairs:
 - (a) must bill all claims as described in (1)(a) through (e); and
 - (b) will be reimbursed according to their provider type.
