

Montana Lifespan Respite (LSR) Coalition

The Montana LSR Coalition is a group of individuals from agencies, state departments and non-profits, caregivers and others interested in improving the quality of life of family caregivers and those that need support.

Mission Statement

To establish a statewide, coordinated system of easily accessible, quality and affordable respite care services for Montana's family caregivers of individuals regardless of special needs.

Vision Statement

To provide all family caregivers access to a quality community-based respite care service that is affordable and flexible to meet their needs.

Lifespan Respite:

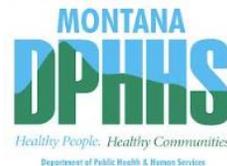

- ➔ Is a short break for family and individual caregivers who identify a critical need for relief, regardless of age, income, race, ethnicity, or situation.
- ➔ May include in-home care, companionship or outings for their loved one.
- ➔ Is a valuable service, where respite providers make a difference in the lives of caregivers.
