O. Hard copy documentation verifying the individual meets Social Security Administration (SSA)’s criteria for physical disability; this information must be documented in progress notes and uploaded into DPHHS’ care management system prior to enrollment into BSW and/or placement on the wait list. The CMT must bring to the attention of the RPO individuals whose disability determination documentation does not fall under the situations listed below:

a. Documentation received from SSA confirming current disability status; or
b. Documentation received from SSA confirming the individual is receiving SSA disability benefits; or
c. Documentation received from SSA confirming current SSI benefits; or

**EXCEPTION:** For individuals receiving SSI between the ages of 62 and 64, the CMT must contact the RPO for assistance.

d. Documentation received from SSA confirming the individual would be considered disabled if not for their Substantial Gainful Activity(s); or
e. Documentation from the Railroad Retirement Board (RRB) confirming the individual is currently receiving “total” disability benefits; or

f. Documentation received from the Medicaid Eligibility Determination Services (MEDS) program confirming current disability status.

**NOTE:** A MEDS determination may indicate a re-exam date. If a re-exam date has passed, the member is required to pursue and receive an approved MEDS re-evaluation in order to continue to meet BSW’s disability criteria. If indicated, the MEDS determination is only valid through the re-exam date. If the MEDS medical re-exam date has expired (the medical re-exam

**NOTE:** The Veterans Administration (VA) does not necessarily use SSA’s disability criteria. Those individuals receiving VA disability benefits must be determined disabled under the MEDS process unless they have disability documentation from SSA as outlined above.

Individuals may contact the Office of Public Assistance (OPA) at 1-888-706-1535 for details regarding the MEDS process;

P. Documentation confirming the individual’s current Medicaid eligibility verified through Montana Medicaid provider portal(s) or a copy of the OPA approval notice sent to the member; this information must be documented in progress notes and uploaded into
DPHHS’ care management system prior to enrollment in BSW; and

Q. Any forms signed by the member.

Upon request, the CMT must make records available for use by the following:

1. The State of Montana;
2. The State of Montana Department of Health & Human Services;
3. The U.S. Department of Health & Human Services;
   and
4. The U.S. Comptroller General.

NOTE: Documentation held in a member’s case file (electronic or hard copy) must not be released to the member or their legal representative (Conservator, Guardian, or Power Of Attorney) without prior approval by Central Office.
