

2020 Governor's Conference on Aging

MINI-GRANT APPLICATION FOR SENIOR PROJECTS

Applications must be received by August 3, 2020.

The purpose of the Mini-Grant Program is to help facilitate up front funding of innovative ideas that will serve senior interests in local communities. Funding for these grants is provided by donations. These grants are not meant to provide funds for staff position.

The one time only mini-grants range from \$200 to \$1,000. Applications can be received from any governmental agency or 501(C)3 non-profit organization. The community receiving the grant must have a population fewer than 10,000. Photos of the completed project and accounting for funds received will be required as well as a report to the Governor's Advisory Council on Aging by year end.

Eligible activities include a full range of services needed by Montana's seniors such as training and education, development of support services, creating or enhancing on-going services to meet a specific or unmet need of seniors in the community. They should exhibit collaboration with the aging network, and public/private sector partnerships are encouraged.

Priority ranking of the proposals will be based on the following:

1. Is this a serious unmet need/problem?
2. Is this a creative solution to the need/problem?
3. Is this a wise expenditure of funds?
4. What will happen to the project after the funding is ended?
5. Is it a collaborative proposal?
6. Can the project be copied by other communities?

NOTE: Application must have a cover page followed by a narrative which addresses the questions listed below and must be received by August 19th, 2019 along with a completed W-9.
