The Department will present information regarding the intent to submit to the U.S. Centers for Medicare and Medicaid Services (CMS) written application for an 1115 Waiver to implement the Health and Economic Livelihood Partnership (HELP).

DPHHS is seeking a Section 1115 demonstration waiver to comply with Montana legislative requirements (MCA 53-6-1307, 53-6-1308, and 53-6-1309). DPHHS will also seek to align and comply with recently enacted federal requirements included in HR 1 related to community engagement and cost sharing for Medicaid expansion enrollees.

Consultation topics address the proposed waiver features:

- Revised Medicaid eligibility verifications.
- New community engagement requirements and exemptions.
- Changes in premium structure and copayments.
