

2024 Training Opportunities for Safety Science Training – Registration Form

- Collaborative Safety, LLC will be providing three modules of training in 2024:
 - Safety Leadership Institute/Leadership Labs – Virtual Only – March 6th – 9:00 AM to 3:00 PM
 - Orientations – Virtual Only – April 9th OR April 23rd
 - Advanced Practical Training: Quality Improvement – *see separate registration form to register*
- Each training is designed to assist agencies in promoting the shift to a systemic and proactive culture of safety, by supporting each level of the agency to make three key transitions.
- A two-week notice will be required if an attendee needs to cancel. A waiting list of alternates for each session will be maintained to fill any cancelled registrations. Due to the preparation needed prior to class and the time commitment for some of the courses, last minute replacements will be difficult, so please make every effort to attend if registered.
- If registering more than one person, please register each person separately.
