

(:30) Radio Script #1 – “Website/Donut”

ANNR: The safe and effective COVID-19 vaccine is the best way to protect yourself, your loved ones and your community. Covid-Vaccine-dot-M-T-dot-gov has up-to-date information on vaccine availability, and how to schedule an appointment.

The vaccine is now available to all Montanans age 16 and older. More distribution sites, including local pharmacies, are offering vaccines and increasing access. Now is the time for all Montanans to take action. Get vaccinated today.
