	Date effective: July 1, 2020 Date revised: July 1, 2020
Policy Number: 310	Subject: Administrative Review, Fair Hearing, & Sanctions

Complete information about administrative reviews and fair hearings is found in ARM Title 37, Chapter 5 at: <http://www.mtrules.org/gateway/ChapterHome.asp?Chapter=37%2E5>.

A provider requesting an administrative review for denied claims, must exhaust all administrative remedies available.

(1) For denied claims, those remedies may include:

- (a) researching the denial codes;
- (b) correcting errors and omissions; and
- (c) resubmitting the claims.

Assistance for providers with claim problems is available through the state’s fiscal agent’s provider relations program by calling 800.624.3858 (in/out of state), 406.442.1837 (Helena). If the fiscal agent is unable to assist the provider, the AMDD Program Officer responsible for the service affected may be contacted. Go to the AMDD website at: <https://dphhs.mt.gov/amdd.aspx>.

Sanctions

The department or it’s designee will provide written notification of deficiencies identified and may require a corrective action plan. If the provider fails to correct the deficiencies identified in the written notification, the department may impose sanctions based on review recommendations. The administrative rules which govern Medicaid provider sanctions are in the Administrative Rules of Montana, Title 37, chapter 85, subchapter 5.
