

STATE OF MONTANA

HEALTH ADVISORY COMMISSION MINUTES

Wednesday, August 25<sup>th</sup>, 2021

**1. Open Meeting**

Chair Frank Garner called the Health Advisory Commission Meeting to order. Representative Frank Garner; Senators Bob Keenan, Carl Glimm, and Mary McNally; Reps Terry Moore, Mary Caferro, and Matt Regier; Director Adam Meier, General Counsel Anita Milanovich, and Charlie Brereton were present.

The Chair called for comments regarding the previous meeting minutes. No comments were provided. Senator Keenan moved to approve the minutes of the previous meeting. The minutes were approved without objection.

**2. Administrative Matters**

Director Foster reminded the commission to fill out their conflict-of-interest forms and expense forms today. Director Foster indicated the commission has been in contact with a public relations firm per HB 632. Director Foster also indicated that issues were discovered with the Montana Veterans' Home, Columbia Falls, and the Eastern Montana Veterans' Home, Glendive, proposals, pertaining to state law. Both will be discussed at the next meeting.

**3. Website, Call Center, and Dashboard Update**

Liane Taylor provided an update on the call center and website. To date there have been 25,000 visits to the website, 10,000 of which have been in the past 30 days. The call center updates the website in real time. No questions were submitted from the commission.

Angie Nelson discussed requirements pertaining to the dashboard transparency portal. Ms. Nelson demonstrated how the public can see where and how funds have been distributed via the state website. Questions were provided by the commission. Ms. Nelson will be the point of contact for this.

**4. ARPA Funding Update**

Director Kurt Alme provided an update on ARPA funding. Director Alme focused on the state fiscal recovery funds which have the broadest discretion. All of the \$17.75 million in funds appropriated for recommendations for nursing home payments and the provider rate study are in the first spending basket. No questions were presented from the commission.

**5. DPHHS Update**

**Update on Actions:** Director Meier highlighted the list of comments and responses.

**HCBS Update:** Director Meier also provided an updated on HCBS under the Medicaid program. The total funding available for initiatives is based on federal matching rates for each activity. Director Meier

recommended using 60% of the available funds to fund HCBS providers. The spending plan has to be approved by HCBS. No questions were provided by the commission.

**Child Care Panel:** Director Meier presented information on the childcare reform. DPHHS is working on applications for childcare providers to apply for assistance. Director Meier invited stakeholders to speak and present data on childcare, childcare deserts, and the impact of childcare on Montana's workforce and economic growth. Questions were provided from the commission to the stakeholders. Director Meier posed the question of how many children were receiving unlicensed care but no reliable way is currently available to provide this measurement. Representative Moore inquired into parent satisfaction with childcare received. Charlie Brereton inquired into appetite for employer sponsored healthcare in Montana. There is interest but logistical challenges are present. Senator McNally requested information on how workforce wages play a factor in recruitment and retention. Senator Keenan requested more information on 0 to 5 Montana.

## 6. Recommendations of Department of Public Health and Human Services

**Child Care Expanded Block Grant Funds:** Director Meier requested the commission approve \$42,477,481 in supplemental funding to the existing Child Care and Development Block Grant that must be obligated by September 30<sup>th</sup>, 2023, and liquidated by September 30<sup>th</sup>, 2024. The allocation includes: \$15 million for multi-year community/business innovation and infrastructure solution grants; \$10 million for multi-year targeted child care business specialized training, professional development, and technical support; \$2 million for business process improvements and regulation improvements; \$600,000 pilot limited child care resource and referral provider services in Northeastern/Eastern Montana; \$7 million for child care workforce support; \$5.5 million in temporary child care assistance for certain health care sector employees; and no more than \$2,123,874, or 5% of the total allocation, in administrative costs.

Public comment was provided in person and online.

Senator Keenan made a motion to approve the allocation of \$42,477,481 for expanded child care and development block grant uses including no more than 5% for administrative use; to fund innovative solution grants; to provide targeted business specialized training, professional development and technical support to early childhood small businesses; to implement business process and regulation improvement recommendations; to pilot CCR&R services in Northeastern/Eastern Montana; to provide temporary child care assistance prioritized for certain health care sector employees; and for direct workforce supports for staff in child care facilities.

Representative Caferro made a motion to amend Senator Keenan's motion to include, as one of the things to be measured, an increase in the number of childcare facilities. Director Meier indicated this could be adopted into the original motion. It was adopted without objection.

Representative Caferro made a motion to amend Senator Keenan's motion to further add to recommendation number 1: "or increase slots," as one of the demonstrations, to specifically target those who don't have the capacity to fall into the other recommendations. Director Meier indicated the feedback can be incorporated but the proposals do not go into that level of detail and would not fit this recommendation. Representative Caferro removed her motion.

Representative Caferro made a motion to amend the motion to include a general provider rate increase. Director Meier rejected the proposal because other programs were in place that could provide the same service. The Chair called for a roll call vote on the modification to the motion. The modification to the motion failed by an 8-2 vote.

Chair Garner called for a roll call vote on Senator Keenan's original motion. The motion passed 7-3.
