

Child Support Services Division (CSSD) Enrollment for Services Information

Services

Child support services are provided to either parent, or to a third-party with whom the child(ren) resides.

We can help with

- **Locate Services:** The CSSD may search for addresses and assets using available resources.
- **Parentage Establishment:** The CSSD may work to establish the parentage of children.
- **Order Establishment:** The CSSD may move to establish an order for child and medical support.
- **Support Order Enforcement:** Actions the CSSD may take to enforce a support obligation include, but are not limited to:
 - Issue income withholding orders
 - Report past-due amounts to credit bureaus
 - Seize cash assets
 - Impose liens on real and personal property
 - Intercept state/federal income tax refunds & other government payments
 - Suspend licenses
 - Passport denial
- **Order Review and Modification:** Either parent or a caretaker/guardian of the children may ask the CSSD to review the support order for possible modification. The request for review must be made in writing. Orders may be reviewed based on current laws, rules, and regulations.
- **Medical Support Enforcement:** The CSSD automatically provides medical support enforcement services. If medical insurance coverage is not ordered in the support order, the CSSD may require the order to be modified to include medical insurance provisions.

We cannot help with

- Deciding custody disputes
- Collecting attorney's fees
- Enforcing property settlement
- Collecting spousal support when no child support is owed
- Collecting payments on medical bills that are not part of a judgment
- Calculating and in most instances collecting interest, unless it has been reduced to a judgment
- Enforcing custody and visitation provisions of an order
- Limit services at your request. Once a case is opened, the CSSD is required to take certain actions

Cost of Services:

The CSSD is required to charge an enrollment fee to individuals applying for child support services. It is non-refundable, even if the CSSD determines your case is unworkable. Please attach your payment to this enrollment form. It must be a cashier's check or money order. **The CSSD cannot accept personal checks or cash.**

PUBLIC HEALTH AND HUMAN SERVICES
CHILD SUPPORT SERVICES DIVISION

Terms and Conditions

Either parent or a caretaker/guardian of a child may open a case with the Child Support Services Division (CSSD) by completing an enrollment form. Families receiving certain types of public assistance receive CSSD services automatically. The Terms and Conditions explain your rights, responsibilities, and the services the Child Support Services Division (CSSD) will provide. **Please read this form carefully and keep it.**

You may retain your own attorney, at your expense. The CSSD represents the public interest. Your objectives, goals, and financial interest may be different from the interest of the CSSD. The CSSD and the CSSD attorney do not represent any individual.

Confidentiality/Privacy Notice

When you receive child support services, state and federal laws require you to provide the CSSD with certain information, including social security numbers for you and the children. This information is used to establish parentage and establish, enforce, and modify support orders. By submitting an enrollment form for CSSD services, you authorize the use of these social security numbers for child support services.

The CSSD is committed to protecting your privacy and keeping information about your case confidential in compliance with state and federal law. This is also required of all agencies and organizations that work with the CSSD. However, you should be aware that some laws require the sharing of certain information. For example, the CSSD may need to provide certain information to another agency or person working on your case; to a third party such as an insurance company; or to the other parent. Additionally, be aware that once a legal action is started to establish, modify, or collect child support, all information included in the proceeding becomes a matter of public record.

Safety Information

Information received becomes a part of the case record. The CSSD may disclose this information, including your name, address, and phone number, to other parties in the case. If you are concerned that the release of case information could result in physical or emotional harm to you or your family, or if you have a protective or restraining order against a receiver of the information, you must notify the CSSD. If the CSSD determines there is clear evidence of risk, your address and phone number will be removed from documents issued to other parties in the future. Also, if you have a protective or restraining order, you must provide the CSSD with a copy.

Payment Distribution and Credit Information

Payments are distributed according to state and federal rules, regulations, and laws. For an open case to receive credit, a payment must be sent through the CSSD.

Services

The CSSD,

- may enter an order setting both parents' support obligation when establishing or modifying a support order. Enforcement of the support order may be determined by the custody arrangement.
- may collect medical support if it has been reduced to a judgment which is to be paid in a specific dollar amount.
- will determine the proper action or remedy to apply and the sequence of events, including the time frames, within which each case will proceed. This includes attempts to establish parentage, when necessary, secure financial and medical support, and modify orders when appropriate.
- will intercept federal & state income tax refunds and payments when appropriate and apply them to unpaid support debt, persons receiving support may be required to repay intercepts if federal and state adjustments occur.
- may charge an enrollment fee. If another agency or entity charges collection fees, the CSSD will pass on the cost to the person receiving support.
- may collect interest on support debts when the amount of unpaid interest is reduced to a lump sum judgment by an order. The CSSD does not have the ability to calculate the amount of interest that may be due or that may become due. This limitation is not to be construed as a waiver of any right to collect interest independent of the CSSD.
- may seek reimbursement from persons who receive money to which they are not entitled. The CSSD will provide an opportunity to repay or deny that money should be repaid to the State of Montana. Failure to repay or deny within 10 days of notification allows the CSSD to keep a portion of current support (and any amount that exceeds current support) to reimburse the State. The CSSD may also take action to recover these amounts either administratively or through a court order.
- may close a case upon your request or when you fail to cooperate or abide by these Terms and Conditions.

Note: A case may not be eligible for closure if a child receives TANF (cash assistance) or another individual submitted an enrollment for services form.

Your Responsibilities:

- Keep the CSSD informed of any change in your address, phone number, or employment. You must also provide updated information about other participants in the case.
- Promptly inform the CSSD of any changes in the physical custody of the children, modification of the support order, other collection actions, adoption proceedings, and any other matter that may affect or change the services the CSSD is providing.
- Forward any information that adds to, differs from, or contradicts information in the CSSD case so that it may be considered.
- Provide copies of all orders concerning your case. This includes actions that occur after CSSD services begin.
- You agree that the value of CSSD services exceeds any interest that might have accrued on collections that are held pending proof of validity, confirmation of funds, or possible adjustments from joint federal tax offsets, and thereby waive that interest. Joint federal tax offsets may be held up to six months pursuant to federal law.
- Immediately forward any support payment you receive that has not been issued by the CSSD or any payment you are required to make to the CSSD. You may be liable if the CSSD takes an enforcement action because you failed to timely forward a payment. Credit may not be given unless payments are made through the CSSD.
 - **Send all child support payments to:**

Please be aware the enforcement of child support is a complex undertaking. It will take time to process your case thoroughly.

The Terms and Conditions govern all child support services. Any changes to the Terms and Conditions will not be binding until the CSSD notifies you. Alternative accessible formats of this document will be provided upon request.
