

# Allowable and Unallowable Pre-ETS Services

What does and doesn't the Pre-ETS Budget line cover?

ALLOWABLE SERVICES	UNALLOWABLE SERVICES
<p><b>Work Site Training</b></p> <p>Short term training provided by a Work Site Trainer on the job site to teach the student specific work tasks and general work behaviors.</p>	<p><b>Job Coaching</b></p> <p>Ongoing one-to-one training provided by a job coach on the job site as is required by the student with intensive needs to learn and maintain a job long term.</p>
<p><b>Assistive Technology</b></p> <p>Auxiliary aids and services necessary for students with disabilities to access or participate in pre-employment transition services are allowable.</p> <p>Examples include interpreter services, video-based telecommunication products, telephone handset amplifiers, assistive listening devices, screen reader software, large print materials, qualified readers, taped texts, audio recordings and Braille materials.</p>	<p><b>Assistive Technology</b></p> <p>Individually prescribed assistive technology and personal devices or services (prescription eyeglasses, hearing aids, readers for personal study or personal services) are not allowable.</p> <p><i>*Please note that screen reader software is allowable, but the computer on which it is installed is not an allowable Pre-ETS expense as it does not meet the definition of "auxiliary aids and services."</i></p>
<p><b>Student Travel Training</b></p> <p>Orientation and mobility training or travel training required by an individual to travel independently to access workplace readiness training or to participate in a work-based learning experience. (WBLE)</p>	<p><b>Student Transportation</b></p> <p>Costs associated with transporting student to/from Pre-ETS activity. *</p> <p><i>*For students found eligible for VR services, these costs may be covered under an approved IPE via different funds.</i></p>
<p><b>Maintenance</b></p> <p>It is permissible for VR agencies to use Pre-ETS funds to 1) Reimburse an employer or 2) pay an employer fee for costs incurred by the employer to provide a WBLE site for a student.</p> <p>Costs may include additional uniforms or other non-individualized items that are necessary for the student's participation in the WBLE.</p>	<p><b>Maintenance</b></p> <p>Purchase of individualized items (uniforms, special boots, or similar) on behalf of student or direct reimbursement to student for such items.*</p> <p><i>*For students found eligible for VR services, these costs may be covered under an approved IPE via different funds.</i></p>
<p><b>Other Expenses</b></p> <p>Wages for WBLE</p> <p>Training (e.g., Independent Living; Soft Skills) as required to participate in WBLE</p>	<p><b>Other Expenses</b></p> <p>Postsecondary tuition</p> <p>Registered Apprenticeships</p> <p>Vehicle Modifications</p> <p>Assessments (other than interest inventories)</p>
