- Providers must be providing primary care services in an outpatient ambulatory care setting at a SLRP approved practice site.

I work in an inpatient setting, am I eligible to apply?

No. Clinicians who are employed in an inpatient setting in a full-time capacity are **not** eligible for an award.

What is a SLRP approved practice site?

To be approved for SLRP a practice site must meet the published NHSC site criteria. For additional information please visit the NHSC Site Eligibility Requirements [website](#)

How is SLRP funded in Montana?

SLRP is funded by a grant received from the Bureau of Health Workforce (BHW) in the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS). These funds support half of a provider's loan repayment award. The other half of the award is comprised of State and Community funds.

Site's that wish to contribute to an awardees funding are requested to contact the Montana PCO office.

How are SLRP awards calculated?

Eligible providers may receive up to a total of \$15,000 a year for an initial two-year obligation.

Do providers have to be a U.S. citizen to apply for SLRP?

Yes. Providers applying to SLRP must be a U.S. citizen (either U.S. born or naturalized) or U.S. National at the time of application submission.

Can providers participate in any other loan repayment programs while serving in SLRP?

No. Providers can only be under one service obligation (program) at a time. Participating in two programs at once, also known as "double dipping, will put you in violation of your SLRP contract. Other programs include, but are not limited to, the National Health Service Corps (NHSC), Nurse Corps and employer sponsored funds and programs such as bonus.

My employer requires me to pay back my bonus if I leave the practice, is that considered a service obligation?

Employer sponsored funds and programs including bonuses, relocation allowances, or other funds that must be paid back in full in the event that a provider leaves the site before a set date are considered service obligations. Bonuses, relocation allowances, and other employer sponsored funds that have a prorated payback clause that meet the requirement of the program are not considered service obligations.

Does a provider have to be licensed to apply for the SLRP?

Yes. Providers must have a current, full, permanent, unencumbered, unrestricted health professional license, certificate or registration (whichever is applicable to your current roll).

Can providers apply for more than one scholarship or loan repayment program at a time?

Providers may apply, if qualified, for as many scholarship or loan repayment programs as

available. However, providers may not accept more than one award for or sign a contract for more than one service obligation simultaneously. Providers must complete one service obligation at a time.

Do all applicants of the SLRP receive a loan repayment award?

No. Applications are accepted and reviewed, in order, on a first come first serve bases. Qualified applicants, who submit a completed application with all required documentation, who are practicing at a qualified site, will be awarded in order of when their application was received. Applications deemed incomplete will not be reviewed for an award. Awards will be made until all funding has been exhausted. Providers are encouraged to review the SLRP eligibility criteria for applicants and sites as well as the Loan FAQ's to ensure they have the appropriate documents for submission prior to submitting.

How many providers are awarded each cycle?

Each SLRP application cycle is unique, and the number of applicants awarded depends on the number of applications received as well as the availability of funding.

I am currently working at a qualified practice site. If awarded will I get "credit" for the time spent at my site before my SLRP contract effective date?

No. You will not receive "credit" for time served.

Is the Public Service Loan Forgiveness Program (PSLF) considered a service obligation (making the provider ineligible for SLRP)?

No. The Public Loan Forgiveness Program (PSLF) is not considered a service obligation. Thus, providers participating in it are eligible for the SLRP.

If chosen for an award, will funds be paid directly to my loan provider?

No. Funds will be disbursed to awardees directly via check with a requirement to provide documentation to the PCO within 60 days that the full amount of that disbursement was applied to your qualified educational loan.

If funds are paid to me directly, will I be liable for taxes?

No. The SLRP is tax free.

Is emergency medicine an approved discipline for the SLRP?

No. Emergency medicine is not an approved discipline for the SLRP.

What does the SLRP consider "full-time" & "part-time"

For the purposes of SLRP:

- Full-time is defined as working at least 40 hours per week, providing a minimum of 32 hours of direct patient care, for at least 45 weeks each contract year.
- Part-time is defined as working at least 20 hours per week, providing at minimum 16 hours of direct patient care, for at least of 45 weeks each contract year.

Patient charting is a component of offering direct patient care, but many other activities are not.

Are part-time applicants eligible for an award?

Yes, however full-time Providers will be considered first over part-time providers.

How will I know if I have been awarded?

All applicants who have been awarded will be contacted via email with an official award letter within 60 days of the application closing.

Will I be informed if I was missing or submitted incorrect documentation?

Yes. Applications that contain incomplete or missing information will be contacted via email and given the opportunity to complete their application before the deadline. We encourage all interested applicants to fully review all Frequently asked Question documents and contact the PCO if you have questions that are not answered within the FAQ's.

What happens if a SLRP awardee is unable to fulfill the terms of their contractual obligation and complete their service?

If an awardee is found to be in breach of their SLRP obligation, they will be responsible for repaying an amount equal to the sum of the following (see 42 U.S.C. § 254o(c)(1)):

- A. The amounts paid to the participant for any period not served;
- B. The number of months not served, multiplied by \$7,500; and
- C. Interest on (A) and (B).

If the amount resulting from the above formula equals less than \$31,000, then the defaulter owes \$31,000. The amount owed is due to be paid within one year of breach.

I am in a management role, am I eligible to apply?

Time spent on management activities, including the duties of a Medical Director, is considered to be an administrative activity. Applicants serving in such a capacity should keep in mind that they cannot exceed more than 8 hours per week of administrative and/or management time (4 hours in the case of half-time participants).

I am employed at an approved practice site but I am in a probationary period, am I eligible to apply?

No. SLRP requires that a provider be a regular status employee, free of any probationary periods. If you are in a probationary period you will be eligible to apply once you have fully completed your probationary period.

Who should I contact if I have questions about SLRP?
