

Section II: Local Agency Procedure Manual

II. Local Nutrition Services

A. Standard Food Packages

Purpose

To define standard food packages for issuance of allowable foods.

Policy

Standard food packages are designed to meet supplemental nutrition needs for participants based on category, age, special dietary needs, and food preparation/storage needs. Standard food packages will provide the full nutritional benefit allowed (except for breastfeeding infants where minimum requested amount of formula is issued).

1. For approved food list, see attachment *Approved Food List*
